Please find attached the second and fifth publications issued by the Arms Control Verification Unit of the Department of External Affairs and International Trade of Canada entitled "Verification of a Central American Peace Accord" and "Security Considerations and Verification of a Central American Arms Control Régime". These brochures are the result of work conducted by an area-expert, Professor H.P. Cepak of Collège Militaire Royal de Saint-Jean, Quebec. They represent further examples of serious background work being undertaken within Canada on such subjects.

I should be grateful if the necessary arrangements could be made for the distribution of this document to the members of the Conference on Disarmament.
